Melrose Rotary Club is an organization of business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. We are deeply committed to service in our community and humanitarian needs where our Club or our members are actively involved.

Process & Guidelines

Melrose Rotary Club accepts requests for funding throughout the year and reviews applications on a quarterly basis. If a request requires immediate attention, members of the Board of Directors can review the request prior to the next quarterly review.

As a local charitable organization, Melrose Rotary Club values projects that involve or benefit the local community and/or support the club's mission. Past projects include: handicap pool lift at the YMCA, skateboard park, immersion suits for the Melrose fire department, subsidizing the heating oil emergency fund for residents, and chimes for the Melrose Symphony.
